Dear Ambassador Pawley:

Thank you very much for your letter of August 28, 1951, enclosing a list of individuals, some of whom you feel could be of assistance to this Agency.

I have turned this list over to General Trubee Davison, our Director of Personnel, who will get in touch with you in the near future to discuss in more detail the availability and qualifications of certain selected individuals.

Thank you again for bringing these people to our attention.

Sincerely,

Walter B. Smith

Your letter of 14 July 1951 came in while I was away in Europe and only came to my attention a few days ago. It was good to hear from you; I remember our associations together during the war.

I have asked our people to look into the questions you raised in your letter and in due course you will hear from them if there is anything further we can do on the matter.

Sincerely yours,

/s/
